

وَقُلْ رَبِّ زِدْنِي عِلْمًا

Say, O Muhammad,
“O Allah, Increase My Knowledge”

Surat Taha, Ayah 114

In the Qur'an, Allāh did not order his Prophet to ask for more of anything except for knowledge. This is due to its importance and high status.

The Prophet ﷺ said what means: *a believer does not feel satiated from the good things he hears until he reaches Paradise.*

At ALIPH, we embrace students from all over the world who are ready to start the journey of acquiring knowledge. Whether attending full-time or part-time, (or even one class at a time), in-person or virtually, students at ALIPH realize that learning Arabic is within their reach. ALIPH has a place for everyone.

What is today's **ALIPH?**

ALIPH, the Arabic Language Institute of Philadelphia, is recognized as the premier center in North America established for students who want to learn the Arabic language as a means to acquiring the glorified Islamic knowledge.

Originally designed exclusively for the student able to dedicate his full amount of time to learning, **ALIPH has transformed** into an institute for all types and levels of students, who have varying amounts of time to dedicate towards this praised endeavor.
